

Condition Report

Sample operating-condition summary for demonstration only.

SAMPLE CONDITION SCORE

92

Operational readiness

A proposal-aligned example of the executive reporting standard. No inspection is represented.

AIRFLOW

READY

Supply and return pathways recorded as clear.

ELECTRICAL

STABLE

Connections and contactors included in inspection scope.

DRAINAGE

MONITOR

Condensate treatment scheduled during the first round.

CONTROLS

ONLINE

Thermostat response and setpoints included in verification.

FIRST-ROUND FIELD CHECKLIST

- ☐ Replace or document filter condition
- ☐ Record refrigerant operating data
- ☐ Photograph priority findings
- ☐ Clear and treat condensate lines
- ☐ Inspect belts, bearings and electrical connections
- ☐ Deliver executive closeout summary
